

RECENT ENTOMOLOGICAL LITERATURE

McKILLUP, S.C., McKILLUP, R.V. and PAPE, T.

- 2000 Flies that are parasitoids of a marine snail: the larviposition behaviour and life cycles of *Sarcophaga megafilosia* and *Sarcophaga meiofilosia*. *Hydrobiologia* **439**: 141-149.

NAUMANN, I.D. and STEINBAUER, M.J.

- 2001 Egg parasitoids of Australian Coreidae (Hemiptera). *Australian Journal of Entomology* **40**(1): 9-16.

PECK, S.B.

- 2001 Review of the carrion beetles of Australia and New Guinea (Coleoptera: Silphidae). *Australian Journal of Entomology* **40**(2): 93-101.

POSTLE, A.C., STEINER, M.Y. and GOODWIN, S.

- 2001 Oriini (Hemiptera: Anthocoridae) new to Australia. *Australian Journal of Entomology* **40**(3): 231-244.

PROCTOR, H.

- 2001 *Megninia casuaricola* sp. n. (Acari: Analgidae), the first feather mite from a cassowary (Aves: Struthioniformes: Casuariidae). *Australian Journal of Entomology* **40**(4): 335-341.

REID, C.A.M.

- 2001 *Galerucella placida* Baly in Australia (Coleoptera: Chrysomelidae: Galerucinae). *Australian Journal of Entomology* **40**(4): 331-334.

SCHMIDT, O.

- 2001 Australian species of *Anachloris* Meyrick (Lepidoptera: Geometridae: Larentiinae): taxonomy, musculature of the male genitalia and systematic position. *Australian Journal of Entomology* **40**(3): 219-230.

SEYMOUR, J.E. and JONES, R.E.

- 2001 Geographic variation in host instar and species preference of *Microplitis demolitor* (Wilkinson) (Hymenoptera: Braconidae) towards two of its native hosts, *Helicoverpa punctigera* (Wallengren) and *Helicoverpa armigera* (Hübner) (Lepidoptera: Noctuidae). *Australian Journal of Entomology* **40**(3): 245-248.

SILSBY, J.

- 2001 *Dragonflies of the World*, CSIRO Publishing, Melbourne; 224 pp.

SKEVINGTON, J.H. and YEATES, D.K.

- 2001 Phylogenetic classification of Eudorylini (Diptera: Pipunculidae). *Systematic Entomology* **26**(4): 421-452.

van KLINKEN, R.D. and WALTER, G.H.

- 2001 Larval hosts of Australian Drosophilidae (Diptera): a field survey in tropical and subtropical Australia. *Australian Journal of Entomology* **40**(2): 163-179.

WALTER, D.E.

- 2001 Endemism and cryptogenesis in 'segmented' mites: a review of Australian Alichagiidae, Terpnacaridae, Oehserchestidae and Grandjeanicidae (Acari: Sarcoptiformes). *Australian Journal of Entomology* **40**(3): 207-218.

WATERHOUSE, D.F. and SANDS, D.P.A.

- 2001 Classical biological control of arthropods in Australia. *ACIAR Monograph* **77**: 1-559.

WINTERTON, S.L., YANG, L., WIEGMANN, B.M. and YEATES, D.K.

- 2001 Phylogenetic revision of Agapophytinae subf.n. (Diptera: Therevidae) based on molecular and morphological evidence. *Systematic Entomology* **26**(2): 173-211.
